

Wow! Wow! Wow!

Ocean Place
at its best!

This awesome turnkey 1 bedroom 1 1/2 bathroom apartment has it all! Just bring your swimsuit and toothbrush and you are ready live like royalty! The unit is beautifully decorated, has stainless steel appliances

(flat top stove, refrigerator with ice maker, built in microwave, dishwasher), granite countertops (kitchen, bath & pass-through), crown moulding everywhere, marble floors throughout, brand new accordion hurricane shutters, and more! Sit on the balcony looking at the ocean and enjoy your morning coffee. Then, walk out of the building and decide whether to sit on the beach in front of you or swim in the beach-front pool. When you're done, ride your bike down to Commercial Blvd and shop till you drip or hang out at one of the hot spots located there. Don't feel like taking the bicycle, then take the

car since there's complimentary valet parking when you return. What more could you ask for? The building and this unit have been completely redone. Everything is beautiful! Complimentary valet parking is included, along with security/door man. The lobby is gorgeous with marble floors, beautiful furnishings, and lots of wood trim. The building offers a pool, community rooms, on site management, library, exercise

room, and more. The low maintenance fees include maintenance of the building, all the common areas, security, management, valet service, hot water, and air conditioning. Quite a deal, I must say! This one has it all... Available for lease, lease option, or sale! Hurry! This one won't last long! For more information or to schedule a viewing, call Jennifer Lee at (561) 367-8230.
